

Cissell Moist-Rite Finishing Cabinet

EASY-TO-USE
PUSH-BUTTON OPERATED

Cissell

Cost-cutting profit maker for
Drycleaning Plants, Uniform Rental Plants,
Garment Manufacturers, Department Stores

- Easy-to-follow instructions are clearly legible above the doors
- Easily accessible controls assure convenient maintenance
- Easy-to-operate doors
- Protective chrome kick plate
- Operates on both low or high pressure steam

The cabinet is painted **INSIDE** as well as **Outside**. Interior has a high-heat baked epoxy primer coat on galvanized steel for longer life, better appearance. Finish coat is high-heat baked enamel; same color and finish as exterior.

Also available with coin meter, or optional key start for attended coin stores

The versatile finisher: perfect for permanent press, woolens, loosely woven fabrics, flannels, tweeds, knit dresses and double knit suits!

The durable, time saving CISELL Moist-Rite Finishing Cabinet finishes 18 loads per hour — 144 to 180 garments. Easy loading and unloading; when door opens, rack moves forward automatically. For greatest convenience operator remains in one position to open door, load and reach controls.

Cabinet has drip-proof ceiling; no water spotting on garments.

- Fully insulated cabinet prevents accumulation of moisture and heat in the area; eliminates need for external hood and exhaust blower.
- Drying blower recirculates heated air; inflates garments during drying cycle.
- Vibrator agitates clothes.
- No floor drain needed.
- Low boiler horsepower (2.0 BHP at rated load) (one cycle every 3½ minutes).
- Adjustable moisture control.
- Low cost operation — uses less electricity and steam than other similar cabinets.
- Adjustable leveling bolts.
- Furnished in any of four standard Cissell Finishing Equipment Colors. Also available in other Cissell colors.
