

Refurbished **K-21** & **K-56** Collar Shaping Presses

FOOT - OPERATED

Foot-Operated Model "FXK" Collar Press

Also available in Model "REK" Double Pedal Heavy Pressure Foot Press.

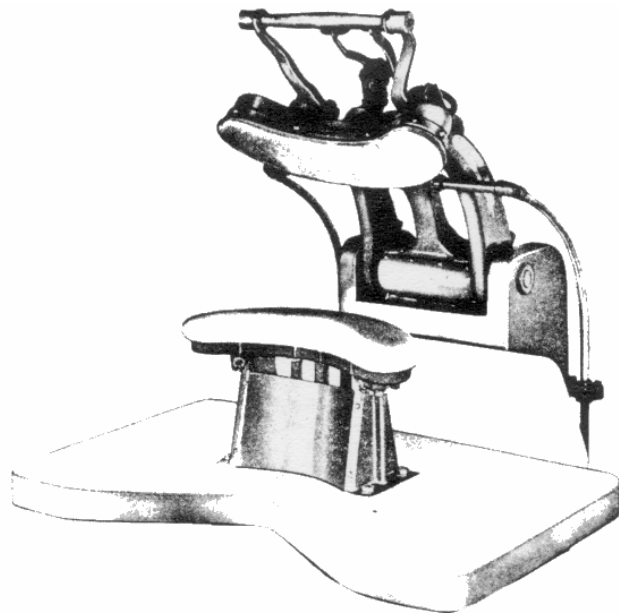

AIR - OPERATED

All models are available in the NUMATIC "AK" Air-Operated Collar Press.

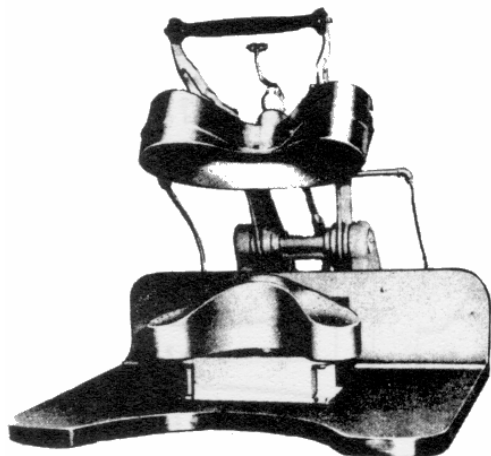

"SAK" Heavy Pressure (8" Cylinder) For Heavy pressure operation, similar to the Air-Operated Edge Press, the Model "AEK" is recommended.

The "TIME-O-MATIC" fully automatic model is offered for tandem operation of 2 or more collar presses. This includes such automatic features as:

- Automatic Variable head steam
- Automatic Advance vacuum
- Automatic Timer Release
- Automatic Variable vacuum after release

AVAILABLE IN AIR OR FOOT OPERATED MODELS

The K-56 is designed to impart the proper shape to the collar in one lay. It is primarily designed as a companion press to the Korrekt Kollar or Collar-Master.

It may also be used as a first operation for breaking and shaping collars and is ideal as a collar press for alteration departments.

Seickel & Sons Inc. is not affiliated with **Hoffman/New Yorker Inc.** and does not rely on **Hoffman/New Yorker Inc.** for its replacement parts.
